

The mixture of wildcrafted roses is inspired by a legendary Fountain of Youth which was said to be in the Florida. The perfume of roses is the equivalent of a highly-spiritual and exquisite experience. Use as a refreshing perfume on the body or as an air freshener.

Ambrosia

Agua de Rosas

Ingredients: wildcrafted rose petals in the alcohol extract combine with the most qualitative natural essential oils of roses, lavender, helichrysum, geranium, jasmine, sweet orange and lemon.

50 ml
